**National Aviation Heritage Area
Heritage Partnership Program
FY 19 Budget**

General and Administrative	\$30,000
Preserve and Restore National Aviation Heritage Area Assets	\$301,200
Promote and Market National Aviation Heritage Area Assets	\$190,078
Development and Fundraising Activities	\$83,872
Totals	\$605,150

Notes:

Budget is based on a projected \$300K in federal funding for the upcoming fiscal year. Federal funding will be matched by a minimum of \$300k in non-federal funding (already in hand).

Budget does not reflect the work being accomplished by the National Aviation Heritage Area at the Wright Factory site as the acquisition and other work is not funded by the Heritage Partnership Program.

Previous budgets have been consistent with the above and future budgets will be determined by the level of funding appropriated by Congress for the Heritage Partnership Program.
